AROUND THE BELT.

A Few Items Concerning the Electric and the Employees.

If those rear doors of the cars could be made to close automatically what a blessing it would be to the passengers during the cold weather.

Whenever a farmer on the B. G. line has more turkeys than he needs he chases them out to the track and Fall does the rest. The boys say that Fall sometimes sees something besides turkeys along the line.

"Let the signal lights be burning" is the injunction that every employee should remember.

Conductor Harned has removed his family to Perrysburg and is located on Second street. They are worthy and welcome residents.

New time cards for either line can always be secured at the JOURNAL office.

A Woman's Awful Peril.

"There is only one chance to save your life and that is through an operation" were the startling words heard by Mrs. I. B. Hunt of Lima Ridge, Wis., from her doctor after he had vainly tried to cure her of a frightful case of stomach trouble and yellow jaundice. Gall stones had formed and she constantly grew worse. Then she began to use Electric Bitters which wholly cured her. It's a wonderful Stomach, Liver and Kidney remedy. Cures Dyspepsia, Loss of Appetite. Try it. Only 50c. Guaranteed. For sale by all Druggists.

How to Cure Croup.

Mr. R. Gray, who lives near Amenia, Dutchess county, N. Y., says: "Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine children's remedy for croup and never fails to cure." When given as soon as the child becomes hoarse, or even after the croupy cough has developed, it will prevent the attack. This should be borne in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by C. P. Champney, Druggist.

The Best Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. When troubled with lame back or pains in the chest, give it a trial and you are certain to be more than pleased with the prompt relief which it affords. Pain Balm also cures rheumatism. One application gives relief. For sale by C. P. Champney, Druggist.

MUST PAY DOW TAX.

Auditor Harding Scoops in Several Hundred Dollars Back Tax.

For some time past Haskins has been supposed to be a dry town, but at the same time all kinds of "booze" could be purchased in the little town.

E. R. Stacy has several times been up in Mayor's and common pleas court on account of selling liquor in opposition to the law.

He was convicted last year of selling liquor, and this year, after another legal fight over the matter he plead guilty. This was sufficient evidence that he should have paid the Dow tax, and Auditor Harding called him up to pay the sum of \$525, which he has paid and quit business.

Wm. Downs, another saloon keeper in the place was called for \$544.23 and the sheriff seized everything about the place, and the property which belongs to Mrs. Mary A. Mauley is holding for the balance of the amount.

Maudie H. Adams of Dayton, O., writes:

Gentlemen:—The requirements of the last society season, with late hours, promiscuous eating and irregular habits left me a physical wreck. Sick headaches, indigestion and a sluggish condition of the organs were my daily torment until I tried Dr. Caldwell's Syrup Pepsin. Yours is truly a household remedy with us.

Gratefully yours, MAUDIE R. ADAMS.

ANOTHER ACT

In the Maumee Presbyterian Church Affairs.

At the session of the Maumee Presbyterian held in Toledo this week the Maumee church trouble, with Rev. Adam Schaeffer, as the principal subject, was given another hearing. A year ago, when Rev. Shafer's political mania became the subject for an investigation, the matter was patched up with an agreement on the part of the presbytery and Mr. Shafer that he was to remain in charge of the church until January 1, 1901, after which time he was to step down and out and let the presbytery appoint someone to take his place. It seems that the members are as far apart as ever and that it would appear best for the reverend gentleman to be assigned elsewhere.

Tortured A Witness.

Intense suffering was endured by witness T. L. Martin, of Dixie, Ky., before he gave this evidence: "I coughed every night until my throat was nearly raw; then tried Dr. King's New Discovery which gave instant relief. I have used it in my family for four years and recommend it as the (real) remedy for Coughs, Colds and all Throat, Chest and Lung troubles. It will stop the worst cough, and not only prevent but absolutely cures Consumption. Price 50c and \$1.00. Every bottle guaranteed. Trial bottles free at all Druggists.

A UNION DEPOT

May be Established in Toledo by Interurban Roads.

The number of interurban (electric) railways entering Toledo is constantly increasing and it will soon be possible to reach almost any point within a hundred miles of the city by electric lines.

In anticipation of this fact it is possible that in the near future a union depot will be established in Toledo at a point where all roads will meet and from which place tickets may be secured for any of the roads, on the same plan as is now in use at any regular Union Railroad station.

The plan may probably take definite shape within a few days.

The Best Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. When troubled with lame back or pains in the chest, give it a trial and you are certain to be more than pleased with the prompt relief which it affords. Pain Balm also cures rheumatism. PRAIRIE DEPOT.

Is in a Flourishing Condition.

Opening of the Strong New Opera House.

Once again Prairie Depot looks like a small city, and can now boast of as fine business blocks, as one may see in towns many times the size of this. Where once stood wooden structures, now stands modern two story brick buildings all occupied by bustling business men, and some new firms have cast their lot with us, and like all the rest seem to be doing well.

On Saturday last the Teacher's Institute for Montgomery and Freedom townships was held at this place. There were a goodly number present and many interesting subjects were discussed.

On Tuesday evening last the ladies of the Deciple church served a fine supper to the public.

I. B. Newcomer moved into his new business room on Monday last, and now has a fine location.

The Strong opera house will be opened on Dec. 14th, under the auspices of the K. P.'s of this place, who have secured "Pinnigan's Ball" for the opening attraction. The opera house has a capacity of about 600, and it is expected every seat will be taken, as the attraction is one which is not often seen in places of this size. As we now have a fine opera house it is hoped we may have the pleasure of seeing many good shows come to our town.

A. A. Simmons, expects to move his drug store into his new business room in the hotel block, some time this week. Mr. Greenwalt, who was formerly employed in the Messer pharmacy, has accepted a position in Mr. Jeffrey's drug store.

Miss Lindsay of Fostoria, is visiting at the home of Mr. and Mrs. Kenestric this week.

Miss Mabel Goodrick, who has been at the Toledo hospital for some time, visited with her parents here over Sunday and returned to Toledo again on Monday morning.

Miss Julia Gano, visited friends in Toledo one day last week.

W. H. Algyre, who has been located near Portage for some time past, was renewing acquaintance here on Monday last.

Mr. Adams of Toledo, visited his parents and friends here over Sunday.

H. G. Dillon will leave on Saturday for Baltimore where he will spend the holidays with parents and friends.

J. M. Goodrick, our bustling insurance agent, was doing business in Rising Sun, on Tuesday last.

N. J. Paine, visited friends in Toledo on Tuesday last.

The K. of P.'s of this place conferred the third degree on six candidates on Tuesday evening last.

Pneumonia Prevented.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." SPECIAL ELECTION

To Decide if Wood County is to Have a New Jail.

On Tuesday, December 18, 1900, the people of Wood county will be given an opportunity to announce their wishes regarding the construction of a new jail.

Surely the county is in need of a new building for this purpose and the time for its construction will never be more propitious than the present.

It is proposed to construct a building to cost \$50,000 and no more. The valuation of all property in the county next year will be \$23,576,160 and to raise the necessary \$50,000 will require a tax of a trifle less than two and two-tenths mills, or a farm or other property valued on the tax duplicate for \$1000 will only pay \$2.20 as its entire portion of the jail tax, or a little less than 45 cents each year for five years.

As the railroads and oil interests of the county have a tax valuation of about seven million dollars it will be seen that these properties alone pay nearly one-third of the entire tax.

The court house tax will be off next year and now is a good time to build the jail.

A Keen Clear Brain.

Pointed Paragraphs.

When you meet an obstacle use it for a stepping stone.

Maay an illiterate man is able to make his dollar mark.

Speaking about Christmas presents, why not make the hearts of your wife and family glad, and incidentally ours too, by ordering a long distance telephone placed in your residence? Give us your order this week and we will get you going in time for you to wish your friends a Merry Christmas by telephone. R. R. HILLARD, Manager.

"About five years ago I was troubled with catarrh of the lower bowel," says C. T. Chisholm, 484 Dearborn ave. Chicago, and although I consulted several eminent physicians who prescribed for me, I found their remedies failed to in any way relieve me, and the trouble almost became chronic. After suffering several months, I one day concluded to try Chamberlain's Colic, Cholera and Diarrhoea Remedy and I beg to assure you that I was most agreeably surprised to find after taking two doses of the remedy that I had cost me so much trouble and annoyance. I am thankful to say that I have not suffered from it since." For sale by C. P. Champney, Druggist.

The Senate has passed a bill authorizing Assistant Secretary Melklejohn to accept the decoration of the Red Eagle tendered him by the King of Sweden and Norway.

The canteen provision in the new army bill is likely to cause a great deal of contention. Instead of being a prohibition of the sale of liquor, it merely provides that no army officer or soldier shall sell liquor, and omits what was intended to be the prohibition in regard to any other person selling it which is contained in the present law.
